This report summarizes the website changes completed from your marked-up screenshots and your June 16 email. Going forward, the site now focuses on **real estate agents and seniors**, and the personal/family lifestyle wording has been retired throughout.

— HOMEPAGE

- ✓ **Hero image** — now uses your actual staging photos.
- ✓ **Headline** updated to *"Thoughtfully Curated Real Estate Solutions."*
- ✓ **Services header** updated to *"Elevated Real Estate Agent Concierge & Senior Transition Services."*
- ✓ **Intro paragraph** rewritten to remove the "white-glove" and "lifestyle management" wording.
- ✓ **"Personal Family Lifestyle Management & Business Concierge" card** deleted.
- ✓ **Heart-icon card** renamed to *"Senior Concierge, Companionship & Transition Services."*
- ✓ **Reviews / testimonials section** — live, featuring your 6 Google reviews.
- ✓ **Phone number** updated to **(304) 552-5501**; old number removed.

— REAL ESTATE AGENT CONCIERGE PAGE

- ✓ Added **Exterior Staging & Preparation** — First impressions matter.
- ✓ Added **Decluttering & Organizing**.
- ✓ Trimmed the **Home Watch** bullet to end at "safety."
- ✓ Added **Curb Appeal Enhancements** — pool, patio & landscape refresh services.

— SENIOR CONCIERGE & COMPANIONSHIP PAGE

- ✓ Page title updated to include “**Transition**” (Senior Concierge, Companionship & Transition Services).
- ✓ Removed **Daily Check-Ins**, **Meal Prep Assistance**, and **Home Repair Coordination**.
- ✓ Added a new **Transition Assistance** section: Decluttering & Organizing · Contractor & Repair Oversight · Estate Sale Services · Home Staging + Comprehensive Real Estate Services · Transition Assistance for Senior Living · Family Communication Liaison for out-of-state family & care providers.

— ABOUT — WENDY BAILEY CHAVES

- ✓ **Bio** replaced with your new write-up.
- ✓ Added **Senior Real Estate Specialist** and **Certified Staging Advocate** to your credentials.
- ✓ Added the ®/™ **trademark symbols** to REALTOR®, SRES®, and CSA™.
- ✓ Cleaned up the **uplicated “Mission:” line** and added your mission statement.

— ACROSS THE WHOLE SITE

- ✓ New **mission statement** now appears in the footer of every page.
- ✓ Removed “lifestyle management” wording from page descriptions and behind-the-scenes search-engine data, so the site reads as **agents + seniors** focused.

— A FEW DECISIONS WE MADE FOR YOU

1. **“White-glove” wording.** Removed from the homepage and page descriptions, but **kept in your bio** since you used that phrasing in the write-up you provided — there it reads as a description of service quality, not the retired service line.
2. **Lifestyle / Business Concierge section.** Your markup only crossed out the homepage card, but since your email confirmed the agents-and-seniors focus, we **removed the full “Personal & Business Concierge” section** from the services page as well, along with its menu link. Let us know if you’d like any of that content preserved elsewhere.
3. **Older blog post tag.** One blog post was tagged “Lifestyle Management”; we changed it to **“Concierge Services”** to stay on-brand.

No new testimonials were needed — the homepage already features your 6 Google reviews. **All changes above are now live on the site.** If anything doesn't match what you had in mind, just flag the item and we'll adjust.
